

What is iCONTROL?

iCONTROL is video on demand, which means you can instantly watch movies, TV shows and more – whenever you want – with no pre-set start times.

- You choose what you want to watch from hundreds of titles using the simple Navigator interactive on-screen guide. Start watching any time at the touch of a button on your Digital Remote.
- You pause, fast forward and rewind what you are watching – just like a VCR.
- iCONTROL comes with your Digital Cable. You don't need any new equipment.
- iCONTROL has Movies on Demand and Premium Channels on Demand.

Movies on Demand

1. Watch movies whenever you want.
2. Pay only for the movies you choose and get all-day access – so you can watch each movie for up to 24 hours.
3. Choose from hundreds of choices including New Hits, Classic Hits, and Adult titles. There's always a huge selection.
4. New movies are added every week.
5. Titles are in-stock, and there are no late fees.

Premium Channels on Demand

1. Watch the best selection from Premium Channels, whenever you want.
2. Pay a monthly subscription fee and get unlimited access – watch as much as you want each month for no extra cost. (One monthly subscription fee gives you unlimited access to all iCONTROL programming for those Premium Channels you already subscribe to.)
3. Choose from Original Series, Hit Movies, Sports Specials and Kids Programs from HBO, Showtime, Cinemax and The Movie Channel.
4. New choices are added every week.
5. You also get on demand exclusives, like past episodes of your favorite original series.

Parental Controls

You can set Parental Controls on iCONTROL. This lets you decide what your family can watch by ratings, channel or time.
